Such waiver shall not be binding on either party unless the same is permitted by each party's insurance carrier without the payment of additional premium.

**28. EMINENT DOMAIN.** Should during the term of this lease title to all of the leased premises or so much thereof be taken by any public or quasi-public use under any statute or by right of eminent domain, or by private purchase in lieu thereof, so that a reasonable amount of reconstruction of the premises will not result in the premises being reasonable suitable for Tenant's continued occupancy for the use and purposes for which the premises are leased, this lease shall terminate as of the date that possession of said premises, or party thereof, be taken. If any part of the premises shall be so taken and the remaining part thereof (after reconstruction of the then existing buildings in which the premise are located) is reasonably suited for Tenant's occupancy, this lease shall, as to the part so taken, terminate as of the date that possession of said part be take, and the rent shall be reduced in proportion to the amount of floor area taken.

Any rental bonus value shall belong exclusively to Landlord.

**29. SURRENDER OF PREMISES.** Tenant shall, at least ninety (90) days before the last day of the term hereof, give to Landlord a written notice of intention to surrender the premises on that date, but nothing contained herein shall be construed as an extension of the term hereof or as consent of Landlord to any holding over by Tenant. On expiration or sooner termination of this lease, or any extensions or renewals of this lease, Tenants shall promptly surrender and deliver the leased premises to Landlord in as good condition as they now are at the date of this lease, reasonable wear and tear excepted. Tenant shall at the option of the Landlord, terminate all or any existing subleases or subtenancies, if any or may, at the option of the Landlord, operate as an assignment to him of any or all such subleases or subtenancies. **30. HOLDING OVER.** If Tenant holds possession of the premises after the term of this Lease, Tenant shall, at the option of Landlord, to be exercised by Landlord's giving written notice to Tenant and not otherwise, become a tenant from month to month upon the terms and conditions

herein specified, so far as applicable, at a minimum monthly rental of the last month's rental amount plus fifty (50%) percent, payable in advance, in lawful money, and shall continue to be such tenant until thirty (30) days after Tenant shall have given to Landlord or Landlord shall have given to Tenant a written notice of intention to terminate such monthly tenancy. Unless Landlord shall exercise the option hereby given him, Tenant shall be a tenant at sufferance only, whether or not Landlord shall accept any rent from Tenant while Tenant is so holding over.

**31. INSOLVENCY OF TENANT.** Tenant agrees that in the event all or substantially all of the tenant's assets are placed in the hands of a receiver or trustee, and such receivership or trusteeship continues for a period of thirty (30) days, or should Tenant make any assignment for the benefit of creditors or be adjudicated a bankrupt, or should Tenant institute any proceedings under the bankruptcy act or under any amendment thereof which may hereafter be enacted, or under any other act relation to the subject of bankruptcy wherein Tenant seeks to be adjudicated a bankrupt, or to be discharged of its debts, or to effect a plan of liquidation, composition, arrangement or reorganization, or should any involuntary proceeding be filed against Tenant under any such bankruptcy laws and Tenant consent thereto or acquiesce therein by pleading or default, then this lease or any interest in and to the leased premises shall not become an asset in any of such proceedings, and, in any such event and in addition to any and all rights and remedies of Landlord hereunder or by law provided, it shall be lawful for Landlord to declare the term hereof ended and to re-enter the leased premises and take possession thereof and remove all persons therefrom, and Tenant shall have no further claim thereon or thereunder. Landlord shall be entitled to the rent.

If any security be given by Tenant to secure the faithful performance of all or any of the covenants of this Lease on the part of the Tenant, Landlord may transfer and/or deliver the security, as such, to the purchaser of the real property, and thereupon Landlord shall be discharged from any further liability as to such security. In the event of a proposed sale of the business in the said demised premises, Tenant shall deliver to Landlord, for Landlord's review, a list of equipment proposed to be sold.

A consent by Landlord to one transfer, assignment, or subletting, or one occupation of the premises by another person shall not be deemed a consent to any subsequent transfer, assignment, subletting or occupation. Should Tenant attempt to make or suffer to be made any such transfer, assignment, subletting or occupation, except with the consent of Landlord as provided above, or should any of Tenant's rights under this lease be sold or otherwise transferred by or under court order or legal process or otherwise, or should Tenant be adjudged insolvent or bankrupt, then in any of the foregoing events Landlord may, at its option, terminate this lease forthwith by written notice thereof to Tenant.

a list of all key employees, partners, and financial backers in the proposed venture;  
a description of improvements to be made to the premises and how there are to be financed;  
and  
business, trade, and personal references.

Upon the acceptance by Landlord of the proposed tenant, a transfer fee of \$2,000.00 shall be paid to Landlord by either the proposed tenant or existing Tenant. In the event of any such subletting or assignment, Tenants shall continue to remain responsible under this lease.

**34. REFINANCING BY LANDLORD.** Landlord shall have the right at any time to sell the premises and assign its interest in the lease without further recourse on the part of Tenant. If any financial institution should, in connection with the sale or other financing of the building of which the leased premises are a part, require any modification of the terms and provisions of this lease, Tenant agrees not to withhold consent unreasonably to such requirements so long as no additional cost is incurred by Tenant or the terms of the Lease and Rider are not materially affected. In the event that Landlord shall sell its interest in the premises during the term of this lease, then after the effective date of such transfer Landlord shall be released and discharged from any and all further obligation and responsibilities under this lease except those already accrued.

**35. ACCORD AND SATISFACTION.** No payment by Tenant or receipt by Landlord of a lesser amount than the rent herein provided shall be deemed to be other than on account of the earliest rent due and payable hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent deemed an accord and satisfaction, and Landlord may accept any such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other proper remedy.

**36. SUBORDINATION AND OFFSET.** Tenant agrees that this lease shall be subject to any mortgage, trust deed, or encumbrance hereafter placed upon said property by Landlord or its successors in interest to secure the payment of monies loaned, interest thereon, and other obligations. Tenant also agrees to execute, acknowledge and deliver to Landlord, from time to time upon request after fifteen (15) days, an offset statement or estoppel certificate containing such facts pertaining to this lease as a purchaser or lender may require provided such facts are within the knowledge of or are available to Tenant. In fifteen (15) days after the date of written request by Landlord to execute such instruments, Tenant shall not have executed the same said documents shall be deemed self operative,

**37. ABANDONMENT.** If at any time during the term of this lease Tenant abandons the demised premises or any part thereof, Landlord may, at his option, enter the demised premises by any means without being liable for any prosecution therefore, and without becoming liable to Tenant for damages or for any payment of any kind whatever, and may, at his discretion, as agent for Tenant, relet the premises, or any part thereof, for the whole or any part of the unexpired term, and may receive and collect all rent payable by virtue of such reletting, and at Landlord's option, hold Tenant liable for any difference between the rent that would have been payable under this lease during the balance of the unexpired term, if this lease had continued in force, and the net rent for such period realized by Landlord by means of such reletting. If Landlord's right to re-entry is exercised following abandonment of the premises by Tenant, then Landlord may consider any personal property belonging to Tenant and left on the premises to also have been abandoned, in which case Landlord may dispose of all such personal in any manner Landlord shall deem proper and is hereby relieved of all liability for doing so.

**38. DEFAULT.** In the event of default in the payment of any installment of rent, or in the performance of any other covenant or condition of this lease, which default may continue for ten (10) business days after written notice, excluding Saturday, Sunday, and any national bank

holidays, after notice and demand in writing by Landlord to correct such default, or if Tenant abandons the property prior to the expiration of the term provided for in this agreement, the Landlord may at this option terminate this lease recover damages and remedies provided for in California Civil Code section 1951.2 and 1951.4 from Tenant, including (a) the worth at the time of award of the unpaid rent which has been earned at the time of termination; (b) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; (c) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Tenant proves could be reasonably avoided; and (d) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform his obligations under this lease, which in the ordinary course of things would be likely to result therefrom. Alternatively, in the event of such default, Landlord may elect not to terminate the Tenant's right to possession, and the lease shall then remain in effect and Landlord may enforce rights and remedies under the lease, including the right to recover rent as it becomes due. As used in subsection (c) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent (1%). In the event of any default which may continue for ten (10) days, Landlord at its option, instead of canceling this lease, may take possession of said premises and re-let the same for the best price obtainable, and Tenant shall continue to be liable to Landlord for all terms and conditions of this lease including and not limited to the rent due under the term of this lease. All monies due are regarded as rent. In the event Tenant breaches this lease or any covenant, term or condition hereunder, and abandons the premises, this lease shall continue in full force and effect at the option of the Landlord, and Landlord may enforce all rights and remedies under the lease, including, without limitation, the right to recover rent as it becomes due. See Rider

**39. CUMULATIVE REMEDIES.** All remedies given to Landlord in this lease shall not be exclusive but shall be cumulative and in addition to all remedies now or thereafter allowed by law.

**40. TENANT'S PROPERTY.** Tenant agrees to insure the contents of the building against fire, theft, vandalism, and such other hazards as are readily insurable under a normal "fire and extended coverage" policy, and to provide Landlord with a copy of such policy or any policies, and any modifications or replacements thereto, upon execution of this lease. Tenant shall be responsible for and shall pay before delinquency all municipal, county or state taxes assessed during the term of this lease against any leasehold interest or personal property of any kind, owned by or placed in, upon, or about the leased premises by Tenant. If any such taxes on Tenant's or Landlord's personal property or trade fixtures are levied against Landlord or Landlord's property or if the assessed value of Landlord's premises is increased by the inclusion therein of a value placed on such property of Tenant, Landlord shall immediately notify Tenant and Tenant agrees to repay to Landlord, upon demand, the taxes so levied against Landlord resulting from such increase in the assessment.

**41. LOSS AND DAMAGE TO TENANT'S PROPERTY.** Landlord shall not be liable for any damage to property of Tenant or of others located on the leased premises, nor for the loss of or damage to any property of Tenant or of others by theft or otherwise. Landlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, gas, electricity, water, rain or leaks from any part of the leased premises, or the common areas, or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place or by any other cause of whatsoever nature. Unless caused by Landlord's negligence. Landlord shall not be liable for any such damage caused by other tenants or persons in the leased premises, occupants of adjacent property, of the common area, or the public, or caused by operations and construction of any private, public or quasi-public work. Landlord shall not be liable for any latent defect in the leased premises or in the building of which they form a part. All property of Tenant kept or stored on the leased premises shall be so kept or stored at the risk of Tenant only and Tenant shall hold Landlord harmless from any claims by Tenant's insurance carriers, unless such damage shall be caused by the willful act or gross neglect of Landlord, and through no fault of Tenant. Landlord shall not be liable to Tenant or to any person whatsoever for damage occasioned by plumbing, gas, water, steam, sprinkler or other pipe,

sewage system, waste, electrical wiring or other lines or pipes, in or about the premises or of the building which they are a part, nor for any damage occasioned by water being upon or coming through the roof, ceiling, skylight, vent, trapdoor, or otherwise, or for damage arising from any act or neglect of co-tenants or adjacent property, or the public, nor shall Landlord be liable in damages or otherwise for any failure to furnish, or interruption of service of any water, gas, electricity, heated water, steam, or chilled water caused by fire, accident, riot, strike, labor disputes, acts of God, or the making of any repairs or improvements or other causes beyond the control of Landlord.

42. **LEGAL COMPLIANCE.** The Tenant shall at its sole cost and expense, comply with all of the requirements of all municipal, state and federal authorities now in force, or which may hereafter be in force, pertaining to the use of the said premises, and shall faithfully observe in the use of the premises all municipal ordinances and state and federal statutes now in force or which may hereafter be in force. In the case of noncompliance, Landlord retains the right to charge any offending Tenants a penalty fee of One Hundred Dollars (\$100.00) for the first offense and increasing an additional One Hundred Dollars (\$100.00) for each offense thereafter with the maximum penalty by Landlord being Five Hundred Dollars (\$500.00) per offense. This penalty fee shall be in addition to any requirements and charges by governing authorities if any.

43. **WAIVER.** The failure of Landlord to enforce any right or remedy for violation by Tenant of any term or condition of this agreement shall not be deemed to be consent by Landlord to such violation, and shall not bar, stop or prevent Landlord from enforcing such right or remedy either for such violation or for any subsequent breach of any term, condition or covenant hereof.

44. **LEGAL EXPENSES.** Tenant shall pay to Landlord all amounts for reasonable attorney's fees incurred by Landlord in connection with any breach or default under this lease or incurred in order to enforce the terms or provisions hereof. Such amount shall be payable upon demand as additional rent. In addition, in the event that any action shall be instituted by either of the parties hereto for the enforcement of any of its rights or remedies in or under this lease, the prevailing party shall be entitled to recover from the other party, all costs incurred by said prevailing party in said action, including reasonable attorney's fees to be fixed by the court therein.

46. **TIME.** Time is of the essence of this agreement.

47. **ENTIRE AGREEMENT.** This agreement constitutes the entire agreement between the parties pertaining to the subject matter contained in it and to the leased premises, and supersedes all prior and contemporaneous leaves, agreements, representations, and understandings of the parties. No supplement, modification, or amendment shall be binding unless executed in writing by all of the parties.

48. **PARTIAL INVALIDITY.** If any term, covenant, or condition of this lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this lease, or the application of such term, covenant, or condition to persons or circumstance other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant or condition of this lease shall be valid and be enforced to the fullest extent permitted by law.

49. **SUCCESSORS.** All rights and liabilities herein given to, or imposed upon, the respective parties hereto shall extend to and bind the several respective heirs, executors, administrators,

successors, and assigns of the said parties; and if there shall be more than one tenant, they shall all be bound jointly and severally by the terms, covenants and agreements herein. No rights, however, shall inure to the benefit of any assignee of Tenant, unless the assignment to such assignee has been approved by Landlord as provided above.

50. **NO REPRESENTATIONS.** Tenant agrees that Landlord has not made and Tenant is not relying on any representations, whether verbal or written, by Landlord, his agents or employees.

51. **CHRONIC DELINQUENCY.** Chronic delinquency by Tenant with payment of rent, monthly charges, periodic charges or any other amounts required to be paid by Tenant under this Lease shall constitute a breach of this Lease. Chronic delinquency shall be defined as any failure by Tenant to pay or submit within ten (10) days of the due date its rent and/or charges required for any three (3) months, consecutive or nonconsecutive, during any twelve (12) month period.

52. **HAZARDOUS AND TOXIC SUBSTANCES.** Tenant shall not use, generate, store or dispose, or give consent to anyone else to use, generate, store or dispose, any hazardous, toxic, or radioactive materials [hereinafter referred to collectively as "Hazardous Materials"]. As herein used, Hazardous Materials shall include, without limitation, those materials identified in Section 66680 through 66685 of Title 22 of the California Administrative Code Division 4, Chapter 30, as amended from time to time, and those substances defined as "hazardous substances," "hazardous materials," "hazardous waste," or other similar designations in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 USC, Section 9601 *et seq.*, the Hazardous Materials Transportation Act, 49 USC, Section 1801 *et seq.*, and any other governmental statutes, laws, ordinances, rules, and regulations now or hereafter in effect. Tenant shall indemnify, defend and hold Landlord from and against any and all claims, damages, costs and liabilities, including all foreseeable and unforeseeable consequential damages, directly or indirectly arising out of the use, generation, storage, or disposal of Hazardous Materials by Tenant for any person claiming under Tenant, including, without limitation, the cost of any required or necessary repairs, clean up, or detoxification and the preparation of any closure or other required plans, whether such action is required or necessary prior to or following the termination of this lease, to the full extent that such action is attributable, directly or indirectly, to the use, generation, storage, or disposal of Hazardous Materials nor the strict compliance by Tenant with all statutes, laws, ordinances, rules and regulations pertaining to Hazardous Materials shall excuse Tenant from Tenant's obligation of indemnification pursuant to this paragraph. Tenant's obligation pursuant to the foregoing indemnity shall survive the termination of this lease.

53. **WAIVER OF JURY.** Landlord and Tenant hereby waive their respective right to trial by jury of any cause of action, claim, counterclaim or cross-complaint in any action, proceeding and/or hearing brought by either Landlord against Tenant or Tenant against Landlord on any matter whatsoever arising out of, or in any way connected with, this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, or any claim of injury or damage, or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.

54. **INDEPENDENT COVENANTS.** All of the Tenant's obligations under this Lease to pay moneys to Landlord shall be deemed to be independent covenants and Tenant shall not have the right to withhold such payments because of Landlord's failure to perform covenants under this Lease. Such covenants shall include, but not be limited to, rents, taxes, assessments, insurance, late charges and interest.

55. **LOUD NOISE.** Tenant agrees to not have any loud music or noise in such premises as to disturb other tenants. The maximum decibel level shall not exceed 75 decibels within said premises.

56. **ODORS AND FUMES.** Without otherwise limiting Tenant's rights to conduct the Premises for the Permitted Use, Tenant shall not cause or permit (or conduct any activities that would cause) any release of any odors or fumes of any kind from the Premises. Tenant shall, at Tenant's sole cost and expense, provide odor eliminators and other devices (such as filters, air cleaners, scrubbers and whatever other equipment may in Landlord's commercially reasonable judgment

be necessary or appropriate from time to time) to abate any odors, fumes or other substances in Tenant's exhaust stream that, in Landlord's reasonable judgment, emanate from Tenant's Premises. Tenant's responsibility to abate odors, fumes and exhaust shall continue throughout the Term, including any extensions thereto. If Tenant fails to install satisfactory odor control equipment within Ten (10) business days after Landlord's written demand made at any time, then Landlord may, without limiting Landlord's other rights and remedies, require Tenant to cease and suspend any operations in the Premises that, in Landlord's reasonable determination, cause odors, fumes or exhaust. If Tenant refuses or neglects to repair items required under this paragraph after written demand, Landlord may make such repairs without liability to Tenant for any loss or damage that may accrue to Tenant's merchandise, fixtures, or other property or the Tenant's business by reason thereof, and upon completion thereof, Tenant shall pay Landlord's costs for making such repairs plus 20% for overhead, upon presentation of bill thereof, as additional rent.

**57. AGENT NEGOTIATIONS.** Tenant warrants that Tenant has not had any dealings with any Realtor, Broker or Agent other than \_\_\_\_\_ in connection with the negotiations of this lease and agrees to pay and hold Landlord harmless from any cost, expense or liability for any compensation, commissions or charges claimed by any other Realtor, Broker or Agent with respect to this Lease and/or negotiation thereof.

**58. SECURITY SERVICE.** Tenant shall reimburse Landlord, simultaneously and in addition to the minimum monthly rental, its proportionate share for any costs for security service which Landlord deems necessary for the Center of which the demised premises are a part.

**59. SHOPPING CENTER USE.** Landlord reserves the absolute right to affect such other tenancies in the Shopping Center as Landlord, in the exercise of its sole business judgment, shall determine to best promote the interest of the Shopping Center. Tenant does not rely on the fact, nor does Landlord represent that any specific Tenant or number of Tenants shall, during the term of this lease, occupy any space in the Shopping Center. This lease shall be considered to be the only agreement between the parties hereto and their representatives and agents.

**60. INSPECTION OF PREMISES.** Tenant hereby acknowledge that they have thoroughly inspected the said premises and found them in good condition and repair including, but not limited to, all glass areas, doors, store front and sign areas. It is further expressly acknowledged that all glass areas have no holes or damage.

**61. ESTOPPEL CERTIFICATE.** Tenant shall, upon not less than fifteen (15) days prior written notice, execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature for such modification and certifying that this Lease as so modified is in full force and effect) and the dates to which rental and other charges have been paid in advance, if any, and acknowledging that there is not, to Tenant's knowledge, any uncured default on the part of Landlord, specifying the default if any be claimed. Tenant's failure to deliver such statement within such time shall be conclusive upon Tenant that this Lease is in full force and effect without modification except as may be represented by Landlord, that there are not uncured defaults in Landlord's performance and that not more than one month's rental has been paid in advance.

**62. AMERICANS WITH DISABILITIES ACT.** As of July 1, 2013, the Landlord notifies the Tenant that the Premises, and the shopping center in which it is located, have not undergone an inspection by a Certified Access Specialist (CASp). It is unknown as to whether this property meets the applicable construction-related accessibility standards. In addition to Paragraph 42, above, Tenant is exclusively responsible for complying with all applicable legal requirements relating to the accessibility of the Premises, whether under the Americans with Disabilities Act ("ADA") or other similar state or federal laws, and Tenant will indemnify, defend, and hold harmless Landlord from any such claims which arise in connection with the Premises during the Term of this Lease, including any extension thereof.
